PLYMOUTH TEACHERS COLLEGE EXPANDS

Henry William Blair Hall, a dormitory housing 166 men, is the newest addition to the Plymouth Teachers College campus. Constructed at a cost of about \$675,000, it was first occupied in April, 1960. It contains a cafeteria and a snack bar, a large game room, utility rooms, an office, and three small lounges in addition to the student rooms.

Given initial approval in the capital budget submitted to the General Court by Governor Powell are \$1,552,200 of further campus improvements. Most extensive is a dormitory for 225 women to be placed where the old Pemigewasset Hotel stood. A \$331,500 addition will triple the size of the Lamson Library by extending it to the east. A \$51,000 maintenance shop will be constructed to the north of the boiler house along the edge of the playground of the Guy E. Speare School.

The college enrollment of 675 this year is expected to reach 935 by 1963.

The college budget is about \$1,000,000 annually of which over \$600,000 is expended in payroll to residents of the Plymouth area.

The college prepares elementary and secondary teachers with special curricula in physical education and business education.

REPORT OF THE BOARD OF DIRECTORS OF THE

COMPANY

The Board of Directors of the Company has the honor to acknowledge the receipt of the report of the Management for the year ending December 31, 1911, and to express its appreciation for the excellent results achieved during the year. The report shows that the Company has made considerable progress in all its departments, and that the financial position is strong and sound. The Board is satisfied with the performance of the Management and believes that the Company is well prepared to meet the challenges of the future.

The Board has also received the report of the Audit Committee, which has examined the accounts of the Company and found them to be correct and in accordance with the principles of good accounting. The Board is satisfied with the results of the audit and believes that the financial statements of the Company are reliable and accurate. The Board has also received the report of the Nominating Committee, which has recommended the election of new directors to the Board. The Board is satisfied with the recommendations of the Committee and believes that the new directors will bring to the Company the experience and ability necessary to carry out its duties.

The Board has also received the report of the Compensation Committee, which has recommended the payment of salaries to the officers and directors of the Company. The Board is satisfied with the recommendations of the Committee and believes that the compensation is fair and reasonable.

The Board has also received the report of the Finance Committee, which has recommended the payment of dividends to the stockholders of the Company. The Board is satisfied with the recommendations of the Committee and believes that the dividends are fair and reasonable.

The Board has also received the report of the Legal Committee, which has recommended the payment of legal fees to the law firm of [Name of Law Firm]. The Board is satisfied with the recommendations of the Committee and believes that the legal fees are fair and reasonable.

REPORT OF THE PARK AND RECREATION COMMISSION

To the Selectmen and Citizens of Plymouth:

From time to time, through the courtesy of the Plymouth Record, the Park and Recreation Commission has made known to the public the status of Fox Pond Park and the obstacles to its development which have gradually been overcome.

After two years of persistent effort, the Commission was finally able to announce that Fox Pond had met the approval for swimming by the State Board of Health. Until this obstacle had been surmounted, it was considered unwise to attempt to raise the approximately \$12,000 necessary to make swimming a reality. However, with the favorable action of the Board of Health, members of the Commission arranged to appear before a cross section of Plymouth's organizations to learn the thinking of the people regarding the development of the parks. With almost no dissenting vote it was the consensus of the members of these organizations that the pond be developed for swimming and that, in so far as possible, the funds be raised by popular subscription.

Consequently early in January an open meeting of the Park and Recreation Association was held and it was overwhelmingly voted to finance the development of swimming facilities by a drive. Mrs. Robert Wherland, the new president, announced that public spirited women of the community, under the leadership of Mrs. Guy E. Speare, were prepared to conduct the campaign.

That campaign was duly launched by Mrs. Wherland, directed by Mrs. Speare, and carried out successfully by a group of women eager to provide swimming for the youth of Plymouth. The project is now to be presented to the town for its stamp of approval.

As noted in the report for 1959, the dwelling on the park property was repaired and rented. However, it was early discovered that the nature of the soil is such that a drywell will not take care of the sewage and as the town sewer line does not extend to the park property it has become necessary to close the house.

The Commission now consists of the following members: Harold D. Trojano (1963), chairman; Alida Buckland (1963), vice chairman; Rosamund Orr (1961), clerk and treasurer; and Bernard R. Smith (1962). Allen E. Grass (1961) has recently submitted his resignation.

Respectfully submitted,

ROSAMUND S. ORR, Clerk

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Plymouth in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium in said Plymouth on Tuesday, the fourteenth day of March next, at ten o'clock in the forenoon, at which time the polls shall be opened and shall close not earlier than nine o'clock in the afternoon to act upon the following articles; all articles except articles 1 and 2 to be considered at 7:30 o'clock in the afternoon.

1. To choose all necessary Town Officers for the ensuing year.

2. Shall the provisions of Chapter 171-A of the revised Laws relative to playing games of beano, be adopted in this city or town?

3. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

4. To see what sum of money the Town will vote to raise and appropriate for the support of the Free Public Library.

5. To see what sum of money the Town will vote to raise for the maintenance and construction of highways.

6. To see what sum of money the Town will vote to raise and appropriate for sidewalks.

7. To see what sum of money the Town will vote to raise for Town maintenance in cooperation with the State.

8. To see what sum of money the Town will vote to raise for cemeteries.

9. To see what sum of money the Town will vote to raise for Memorial Day.

10. To see what sum of money the Town will vote to raise and appropriate for Civil Defense.

11. To see if the Town will vote to raise and appropriate to the Plymouth Youth Council, Two Thousand Three Hundred Dollars (\$2,300.00) to establish, equip and maintain suitable places for Public Playgrounds, including coasting and skating and other programs of said Youth Council.

12. To see what sum of money the Town will vote to raise and appropriate for the care of shade trees in the Town.

13. To see what sum of money the Town will vote to raise for the Sceva Speare Memorial Hospital of Plymouth, N. H.

14. To see what sum of money the Town will vote to raise for Band Concerts during the Summer of 1961 by the Plymouth Community Band.

15. To see what sum of money the Town will vote to raise for the purpose of publicizing and promoting the natural advantages and resources of the Town.

16. To see if the Town will authorize the Selectmen to purchase needed highway equipment and borrow money for same.

17. To see what action the Town will take on any report of the Zoning Commission, appointed at the 1955 March meeting, and to raise and appropriate such sums of money as may be necessary to defray any expense of the Commission.

18. To see what action the Town will take on any report of the Park and Recreation Commission, and to raise and appropriate such sums of money as may be necessary to defray any expense of the Commission.

19. To choose a Library Trustee for a term of three years.

20. To choose a Park Commissioner for a term of three years.

21. To choose a Park Commissioner for a term of three years.

22. To choose a Trustee of Trust Funds for a term of three years.

23. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, and pay the obligations of the Town.

24. To see if the Town will vote to authorize the Selectmen to administer, lease, rent, sell and convey, or otherwise dispose of any real estate acquired by the Town by any Tax Collector's Deed.

25. To see if the Town will vote to authorize the Selectmen of the Towns of Campton and Holderness to dispose of the Livermore Bridge, so-called, situated at Livermore Falls in the Town of Campton and sell the same at whatever price they may consider acceptable, one eighth ($1/8$) of sales price to be paid to the Town of Plymouth.

26. To see if the Town will vote to grant the New England Telephone & Telegraph Company a right-of-way to maintain its underground lines across the property of the Town known as Plymouth Airport an approximate distance of 2,498 feet, said right-of-way subject to the vote of the Town at its annual meeting.

27. To see what sum the Town will vote to raise and appropriate for control of Pine Blister Rust.

28. To see if the Town will vote to authorize the Selectmen to purchase a Police Cruiser and to raise and appropriate such sums of money as may be necessary.

29. To see if the Town will vote to ratify and confirm the conveyance of a one-quarter acre of land, more or less, to Sprague Electric Company acquired by the Town from the State of New Hampshire and being bounded southerly by Route 25 and 3A, and bounded westerly, northerly and easterly by land of William P. Proctor Co.

30. To see what sum of money the Town will vote to raise and appropriate in cooperation with the American Legion for the purpose of promoting and conducting a Fourth of July Celebration.

31. To transact any other business that may legally come before this meeting.

Given under our hand and seal this twentieth day of February, 1961.

To the Trustees of the
Plymouth Public Library:

Our major effort this year has been put into the new card catalog. With State Aid funds the State Library purchased for us an 18 drawer steel file and 7,000 blank cards. Fifteen volunteer helpers have given about 400 hours typing these cards, verifying authors' names and classification numbers, filing new cards and removing old ones, and marking book covers. Also purchased with State Aid funds were printed cards for about 500 books. These had to be compared to the books they represented and corrected if necessary. Mrs. Hopkins of the State Library spent six days with us at various times to supervise our work, and Mr. Riley of the Bookmobile was with us five days. There will be no State Aid funds available to us in 1961 so we'll be obliged to purchase the additional 20,000 cards we need from our own income. The steel file will be adequate to hold them all.

During July and August Mrs. Bernice Hall very kindly gave of her time and talents in conducting six story hours for kindergarten through fourth grade children on Wednesday afternoons.

The Methodist Church Junior Fellowship has had two sessions of instruction in the use of the library. One of the second grades visited us with their teacher to hear a short talk about the library, and to have a story read to them.

Four members of the Four Leaf Clover 4-H Club spent a morning with the librarians giving much needed assistance moving books by the hundreds so that the Teen Age collection could be in a section of its own and the adult non-fiction could be arranged in better order according to the Dewey Decimal Classification numbers.

Your librarian gave a talk at a meeting of the Daughters of the American Revolution on the resources of the library for the use of those who need help in their daily lives or occasional activities. She also attended a State Library sponsored meeting at the New Hampton Library on children's books. Our library was host to another State Library sponsored meeting on Teen Age books. Librarians of neighboring libraries attended and had the opportunity to see a large collection of fine books for young people.

We have had two special exhibits, complete with posters, from the Bookmobile. One was books on world affairs and the other on family relations. The latter was loaned to the Junior Woman's Club for display at one of their meetings.

A system of book exchanges has been established with the Lincoln Public Library. From time to time they borrow mystery stories from us and we borrow westerns from them.

The seventh grade Girl Scouts have planted some tulip bulbs under our front windows. We are awaiting Spring to see a fine display of color.

In February we lost the valued assistance of Mrs. Lillian Varney because of ill health. Miss Barbara Nims took her place and quickly became adjusted to our routine.

Respectfully submitted,

ALICE B. DICKINSON,

Librarian

AUDITORS' REPORT

As prescribed by law, we have examined the books and records maintained by the Selectmen, Town Treasurer, Town Clerk, Tax Collector, Trustees of Trust Funds, Treasurer of the Library Trustees and Justice of the Municipal Court.

The records of individual receipts and expenditures were found to be correctly cast and well vouched.

We have verified cash balances and reconciled bank statements for all officials having town business accounts.

We have examined the securities in the Trust Funds.

We have inspected the surety bonds of the Town Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Road Agent, Chief of Police and Secretary.

LEON M. HUNTRESS
ALLAN D. FISCHER

Auditors

Plymouth, New Hampshire
January 30, 1961

47 Main Street
Plymouth, N. H.
Dec. 30, 1960

Office of Selectmen
Plymouth, N. H.

Dear Sirs:

The following is a report of the activities conducted by the N. H. Department of Health, Bureau of Public Health Nursing, for the town of Plymouth for the year 1960. Please have this report printed in your town report.

Home visits have been made on mothers, babies and pre-school children. Arrangements have been made for children to attend the following clinics: Cripple Children's Clinics in Hanover and Laconia, Mental Hygiene and Child Guidance Clinics at Laconia and Concord, Pediatric Clinics at Littleton and Concord and assistance has been obtained through the Heart Program. Children have been sent to Laconia for special examinations by Nose and Throat Specialists and others have been referred through the N. H. Sight Conservation for examination and glasses to local doctors. Follow up calls have been made on these cases as necessary.

A Salk Vaccine Clinic was held at the Speare School Auditorium on April 7, 1960 for fourth or "Booster" Polio shots for school children. A total of 443 children were given the vaccine by members of the Plymouth Medical Association. This clinic was held in cooperation with the school officials, school physician and school nurse and the members of the Plymouth Nursing Association assisted. Mothers have been urged, by the nurse, to take their pre-school children to their family physician for inoculations and polio shots as it was not feasible to hold immunization clinics for pre-schoolers. The public may be interested

to know that a report from the N. H. Department of Health, Division of Communicable Disease, states the following: For four years preceding the Salk Vaccine program from one to four cases of polio per year were reported from Plymouth. Since the start of the Salk Vaccine in 1956 no polio cases have been reported from Plymouth. It is hoped that the public will realize the importance of this protection for both children and adults and this good record may be continued.

Miss Ellen Clough, R.N., a veteran TB nurse for Grafton County, retired as of September 1st, 1960. The program in Grafton County is now covered by the N. H. Department of Public Health Nurse, in co-operation with the N. H. Tuberculosis Association. A chest clinic was held at the Odd Fellows Hall in Plymouth on October 10, 1960, with Dr. Robert Kerr as examining physician and Mr. Alden as x-ray technician, from the N. H. Tuberculosis Association. The reports of chest examinations and x-rays, received from Dr. Kerr, have been sent, by the nurse, to each person attending the clinic. The Public Health Nurse was assisted at the clinic by members of the Plymouth American Legion Auxiliary and 8/40. It is planned to hold at least three chest clinics a year in Plymouth. All physicians in the area will be notified in advance of the date of the clinics and notices will be sent to the local press. Home visits were made on the cases attending the clinic as necessary.

Throughout the year, assistance has been given to several families through the cooperation of Plymouth Community Closet. The nurse has assisted with this project which is a benefit to the families in Plymouth area. Names were also submitted to the Firemen for their Christmas Toy project. I am sure many children were made happier at Christmas by this outstanding project by the local firemen. The nurse also assisted with a Christmas Party at Mrs. York's School for the benefit of the children attending, gave Home Nursing demonstrations at a Civilian Defense School and gave assistance throughout the year to the new Pemigewasset Valley Retarded Children's Council.

In July your Public Health Nurse had the privilege of attending a two weeks' "Workshop on Epidemiology in Nursing." This course was held at St. Anselm's College at Manchester and sponsored by U. S. Public Health Service in cooperation with the N. H. Department of Health. This has proven very helpful in her work in this area. She was also privileged to attend a three day New England Public Health Institute at Manchester, Vermont.

The office of the Public Health Nursing of the N. H. Department of Health for lower Grafton County is now located at 47 Main Street, Plymouth. It has been a pleasure to have been of service to Plymouth residents in the past year. I wish to take this opportunity to extend sincerest thanks to the physicians, nurses, organizations and individuals who have assisted me in the program of the N. H. Dept. of Health the past year. Thanks also to the Plymouth press for their excellent cooperation.

Respectfully submitted,

LOIS B. REED, R.N.
Public Health Nurse,
N. H. Department of Health

PLYMOUTH CHAMBER OF COMMERCE INFORMATION BOOTH REPORT

December 21, 1960

Board of Selectmen,
Town of Plymouth,
Plymouth, N. H.

Gentlemen,

The Information Booth was open from July 2, 1960 to September 4, 1960 inclusive, from 9:00 A. M. to 6:00 P. M. on weekdays and 1:00 P. M. to 5:00 P. M. on Sundays.

A total of 5,064 cars with 15,945 occupants were served by Miss Hazel Downing who conducted the booth in her usual efficient and courteous manner.

Of the total number of cars served:

50.4% were from New England — not including New Hampshire

9.1% were from New Hampshire

59.5% were from all of New England

28.2% were from the Atlantic States

1.7% were from the South — not including the Atlantic States

3.7% were from the mid-West

.7% were from the far West

6. % were from Canada — two-thirds of which were from Quebec

The Chamber of Commerce thanks the taxpayers of Plymouth for their support of the booth. It is felt that this service to tourists stopping in and passing through our town is very inexpensive advertising which cannot be measured in dollars.

All of the appropriation was expended for the salary of the attendant.

Respectfully submitted,

CLARENCE H. JONES,
Chairman Information Booth Committee

CIVIL DEFENSE REPORT, PLYMOUTH, N. H. FOR 1960

Gentlemen:

I am submitting my report as Civil Defense Director for the year of 1960.

The Civil Defense organization has been improved with the addition of an organized auxiliary police unit under the direction of Clifford Mayhew and with the cooperation of the Chief of Police, Bernard Gray. They have been of assistance in many instances during the past year, particularly during the band concerts, parades and other special events. They have also been of assistance in some emergency situations where their availability has been of great value.

In last year's budget a sum of money was requested and granted for the installation of a signal on the Main Street for the use of the Fire Department and the Civil Defense organization. However, due to the fact that the installation of the signal required the active cooperation of the precinct officers, and their permission to connect to the present system, and since a common ground could not be found on which to operate, nothing was done. This also held up the spending of an additional sum for other equipment for the organization since it was felt that if additional funds were necessary to fulfill the requirements the funds should be held in reserve.

It is still my opinion that such a system is necessary but that under the circumstances, perhaps the precinct might use its funds for the purpose and in this situation might feel better toward the installation.

Sincerely,

THOMAS F. GOULART,
Civil Defense Director
Plymouth, N. H.

RECOMMENDATIONS FOR 1961 FOR THE PLYMOUTH MUNICIPAL AIRPORT

1. It is felt that the Selectmen should consider painting the hanger. At the present time it is in pretty sad shape and does nothing to add to the airport. In addition to this it would seem that this is a decided asset and that it should have the protection that paint would give it.

2. As a result of criticism made by the state, it is felt that some consideration be given to the repair and regrading of certain hazards which exist on the runway and which are mentioned in a report submitted by the chief inspector of the State Aeronautics Board.

3. A sum of money should be set aside for the installation of runway markers along both sides of the runway and that these markers be installed this year.

4. Several persons using the airport have requested that a phone be installed at the airport. This would have to be a pay phone. Perhaps the phone company could be persuaded to install a booth.

5. At the present time the airport is in good shape with the exceptions noted above. We have a limited amount of traffic but enough indications exist that the port is a good investment for the town and that there is a very definite need for this installation.

Respectfully submitted,

THOMAS F. GOULART,
Airport Manager

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes nine out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents five per cent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed — all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First — by setting a good example YOURSELF — being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second — by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden — the law requires it.

2. Be sure to properly supervise your burning — don't leave it.

3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.

4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles — make sure they are out — use your ash tray.

5. Don't burn at home — use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires	1
Number of acres burned	1½
Number of permits issued	86

Annual Report

PLYMOUTH FIRE DISTRICT

INDEX

Warrant	5
Report of Treasurer, Fire Department	8
Report of Sewer Department	12
Report Treasurer, Sewer Department	13
Report Treasurer, Water Department	15
Water Department Activities	18
Auditors' Report	20

STATE OF NEW HAMPSHIRE

To the Inhabitants of Plymouth Village Fire District qualified to vote in District Affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium on Thursday, the 16th day of March next, at 7:30 o'clock in the afternoon to act on the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Treasurer for the ensuing year.

Article 4. To choose one District Commissioner for the ensuing three years.

Article 5. To choose Auditors for the ensuing year.

Article 6. To see what sum of money the District will vote to raise for fire apparatus, supplies, care of fire alarm system, pay of firemen and other necessary expenses of said District for the ensuing year.

Article 7. To see what sum of money the District will vote to raise for sidewalks, for the ensuing year.

Article 8. To see what sum of money the District will vote to raise for fire protection, for the ensuing year.

Article 9. To see what sum of money the District will vote to raise for sewer purposes for the ensuing year.

Article 10. To see what action the District will take with respect to extending the sewer line from its present terminus in the Ward Hill section to the Barklay residence on Ward Hill and to connect thereto a sewerage line on Reservoir Road extending southerly to the precinct limit and connect thereto a sewerage line on Smith Street.

Article 11. To see if the District will vote to extend the sewer from Winter Street at a point opposite the property of Edwin F. Dakin and extending Westerly a distance of approximately 500 feet to property of the Town of Plymouth known as Fox Pond Park area, and continuing in the same direction a distance of approximately 500 feet, and to see what sum of money the District will vote to raise and appropriate to carry out any vote taken under this article.

Article 12. To see what action the District will take in regard to extending the sewer line in a westerly direction from Rt. No. 3 near Tobey's Motor Court along Fairground Road to Crescent Street and then northerly to Allen Grass' Residence, a total distance of 2,000 feet, and to raise and appropriate such sums of money as may be necessary for the same.

Article 13. To see if the District will vote to convey to the United Shoe Machinery Corporation the parcels of land acquired by the District from E. J. and G. R. Foster in 1922 and from United Shoe Machinery Corporation in 1939 and to authorize the Commissioners to execute a deed to the same in the name of the District.

Article 14. To see if the District will vote to authorize the District Commissioners to borrow \$20,000 for final plans preparation for sewerage and sewage treatment and facilities for Plymouth Village Fire District or to file in behalf of the District, an application (in form and manner required by the United States and in conformity with P. L. 560, 83rd Congress) and do

whatever else may be required for an advance, in the amount of Twenty Thousand Dollars (\$20,000.00), to be made by the United States to the Plymouth Village Fire District to aid in defraying the cost of final plan preparation for sewerage and sewage treatment facilities for the Plymouth Village Fire District.

Article 15. To see what sum the district will raise and appropriate for surveying land and an engineering study to determine the location and construction of a sewerage purification lagoon in the Langdon Park area.

Article 16. To see what sum the district will raise and appropriate for the acquisition and construction of a sewerage purification lagoon in the Langdon Park area and to authorize the commissioners to borrow the sum raised in the name and on the credit of the district and to issue notes or bonds for the sum raised and to fix the rate of interest, terms, maturities and place of payment all in accordance with Revised Statutes Annotated Chapter 33, the Municipal Finance Act, and any amendments thereto.

Article 17. To see if the District will vote to authorize the Commissioners to borrow such sums of money as may be necessary to pay debts of the District and to give notes therefor, countersigned by the District Treasurer.

Article 18. To transact any other business that may legally come before the said District.

Given under our hands and seals this twenty-fifth day of February in the year of our Lord nineteen hundred and sixty-one.

FIRE ALARM CALLS DURING 1960

The Fire Department answered 60 calls during the year of 1960.

Town Box Alarms 4

Out of Town Box Alarms 12

Still alarms as follows:

Chimney 11

Flooded Oil Burners 4

Grass Fires 8

Car Fires 8

False Alarms 3

Miscellaneous 10

Installed new furnace at the Fire Station. Purchased new sump pump. Purchased four new alarm boxes but were not complete. Code wheels ordered to match our master box. Installed new cabinet sink and also made some repairs to the water pipes. Purchased a new gated pumper wye for the truck.

New Connections to Sewers	9
Sewer Manholes Rebuilt	3
New Sewer Manholes Installed	2
New Sewer Lines Installed: Maple Street 362 Ft. of 6" pipe	
Sewers Repaired or Cleaned	12

An 8" — 38 foot overflow was installed at the small Reservoir.

A 6" — 116 foot drain was installed from the cement water tank.

A 6" sprinkler tap was made for the Plymouth Teachers College Infirmary.

All brush was cut on all Water Department right of ways and around the Reservoirs.

Both Reservoirs and cement tank were drained, cleaned and chlorinated.

Fences around both Reservoirs were painted.

A new cement inlet was installed at the large Reservoir where the spring water enters.

The top of the cement water tank was recemented and sprayed with cement waterproofing material.

AUDITORS' REPORT

We have audited the cash books of the Treasurer of the Plymouth Village Fire District, Plymouth Village Water and Sewer Departments, and have found them to be correstly cast and properly vouched.

We have examined the surety bonds of the Treasurer and Secretary of the District.

We have burned five Water Department bonds numbered 26-30 and fourteen Water Department bonds numbered 104-117, all numbers inclusive, totalling \$19,000.00.

We have burned the following coupons:

19 coupons numbered 104-122, inclusive, and 168 coupons numbered 133-300 inclusive, totalling \$1,870.00, April, 1960.

40 coupons numbered 26-65, totalling \$450.00, May, 1960.

5 coupons numbered 118-122, inclusive, and 168 coupons numbered 133-300, inclusive, totalling \$1,730.00, October, 1960.

35 coupons numbered 31-65, totalling \$395.75, November, 1960.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Plymouth qualified to vote in District affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium in said District on the ninth (9th) day of March, 1961, at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the District will raise and appropriate the sum of Two Hundred Ninety-One Thousand, Seven Hundred Seventy-Three Dollars and Seventy-Two Cents (\$291,773.72) for the support of schools, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid Fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue

and the appropriation, which leaves an estimated balance of One Hundred Ninety-Six Thousand, Five Hundred Sixty-Three dollars and Seventy-Two Cents (\$196,563.72) to be raised by taxes by the Town.

9. To see if the district will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

10. To transact any other business that may legally come before this meeting.

Given under our hands at said Plymouth this twenty-second (22nd) day of February, 1961.

SUPERINTENDENT'S REPORT TO THE PLYMOUTH SCHOOL BOARD

Hereby submitted is my annual report as your Superintendent of Schools.

During the past year the teacher turn-over in the Plymouth schools grades 7-12 was the lowest it has been for a long time. Only one teacher out of twenty-four did not return which I can assure you is a fine average when it is compared with other school systems in the state. Mr. Ross in the Department of Industrial Arts resigned to go into business for himself and John Faust, a recent graduate of Keene Teachers College was employed as his replacement. Other teaching assignments of various members of the staff remained the same as last year.

The school budget for next year has provisions to add another teacher to the high school staff in the area of mathematics and science, and with next year's expected enrollment figures, this is necessary. At the present time I am preparing to publicize the vacancy and screen candidates for the position. We continue to have a dedicated staff that places our high school in curriculum and standards as high as any other secondary school in the state. The new Vocational Building and the library have been big improvements and I hope and expect these two areas will continue to grow and expand during the coming years. I strongly feel that after another year we should attempt to add a full-time guidance counsellor to our staff. Half-time guidance is being done at the present but our school population, with the addition of the 7th and 8th grades, has reached a point where there is a definite need for a full-time guidance person.

The Hot Lunch Program in its new surroundings is working very well and the number participating is going up all the time. We expect the price of hot lunches for the school year beginning next September

will be lowered to the former price of 25c per elementary pupil and 30c for high school pupils. This I am sure will be good news to parents.

The Physical Education program is running very well this year and I feel that in so far as Physical Education Programs go, it is adequate. During this Fall, there have been a number of complaints concerning the inadequacies of locker and shower room facilities. In order that this program should operate efficiently, I have come to the conclusion that if we continue to want and to have a good program — grades 7-12, we must in some way or another increase our shower and locker room capacity. This, I think, should be given serious consideration in the near future. Perhaps by having a thorough discussion in an open meeting the school board could then make a decision as to whether or not it would be advisable to try to call a special meeting to do something about the situation. I also think serious thought at this time should be given to replacing coal-burning furnaces in the High School and Speare School with oil burners. Coal gets more expensive all the time and there is such a great difference in the grades of coal we obtain that we can not be sure from one period to the next whether the school buildings will be adequately heated. The use of soft coal for heating as well as posing a most difficult job for the custodians in cold weather tends to make a very difficult custodial cleaning problem.

My recommendation would be that we provide for extra locker room space and at the same time replace our coal-burning furnaces with oil so that the total program would come under State School Building Aid formula. To do these things would necessitate floating another bond issue but it seems to me when all factors are taken into consideration the project is justified. State Building Aid would amount to 30% of the principal payments. Engineers assure me that there would be a saving in fuel expenses by converting to oil and the lessened hours necessary for custodial help during the winter months could, I think, lower the salary budget for this department.

An important consideration also should be given to the facilities outlying districts can expect for their tuition pupils they send to Plymouth. The time will soon be here when Plymouth will realize \$100,000 per year in revenue from tuition pupils. This can not be taken lightly because the Plymouth children could not and would not have the program now available to them without these pupils. Furthermore, any capital outlay on facilities used by high school students would be partially amortized by the 2% rental fee which the law allows us to charge. I have done considerable work and thinking on the above matter and it is my feeling that the entire project is not only practical and feasible but necessary.

We are instituting a program whereby bright boys and girls who have taken all the high school has to offer in a given field are being allowed to attend classes at the college. This has aroused quite a good bit of publicity in the State Department of Education and they are highly in favor of this project. I am very hopeful that it will continue to improve and to grow as we progress. It is one way that we can meet the needs of the gifted pupil without adding expensive courses in the high school that few pupils would take.

I have enjoyed working with the school board and the high school administration during the past year. It is my sincere belief we are making continued progress in providing good education for the Plymouth boys and girls as well as those from the outlying towns who come here as tuition pupils.

If I can be of assistance to anyone on matters pertaining to education, please feel free to contact me.

Respectfully submitted,

M. WAYNE BOWIE,
Superintendent of Schools

EXPLANATION OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent of schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 48 during 1959-60 received a salary of \$7,750 which was made up as follows: \$3,500 paid from the per capita tax and \$4,250 prorated among the several school districts. Allowance of \$1,100 for travel within the union was also prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$ 789.65	\$ 204.38
Dorchester	29.33	7.59
Plymouth	1,611.17	417.01
Rumney	623.47	161.37
Thornton	396.95	102.74
Wentworth	192.95	49.94
Woodstock	606.48	156.97
	<hr/>	<hr/>
	\$ 4,250.00	\$ 1,100.00

Superintendent's salary for 1959-60 based on the above figure is reconciled as follows: \$3,500 paid from State per capita tax plus \$4,250 paid by various districts, equals \$7,750 superintendent's basic salary.

M. WAYNE BOWIE,
Superintendent of Schools

PLYMOUTH HIGH SCHOOL

PRINCIPAL'S ANNUAL REPORT

I hereby submit my ninth annual report as principal of Plymouth High School.

It was necessary to hire only one new teacher for the year 1960-61. Mr. John Faust proves to be a capable replacement for Mr. Eugene Ross, who resigned.

Our school is gradually growing and before too long, we will have over four hundred pupils in grades nine through twelve.

The anticipated enrollment of Freshmen for the next four years is as follows:

Year	Number
1961-62	130-135
1962-63	100-105
1963-64	110-115
1964-65	110-115

This has necessitated plans for adding two new rooms in the old auditorium to take up the expansion of the enrollment for next year.

We are anxiously awaiting the installation of our new language laboratory, which will be of tremendous help to our students of foreign languages, music and other departments.

I have been asked to explain the special activity item on the budget in relation to the high school. We receive \$900 from the town to help pay for expenses in our major sports — football, baseball, basketball, and other minor activities — girls' softball, girls' basketball, cheerleaders, skiing, assemblies, and other activities that may appear. The budgeting of the \$900

depends on the immediate need of the various activities. For 1960-61 the following division was made: Football \$600, Baseball \$200, Basketball nothing, Other Activities \$100.

Graduates of 1960

Four year colleges	23
Two year colleges and nursing	10
Armed forces	7
Homemaker	1
Employed	21
Unemployed	1

I wish to express my appreciation to the School Board, Superintendent Bowie, teachers, students and citizens for their help and cooperation during the past year.

Respectfully submitted,

GEORGE C. ZOULIAS,
Principal

PLYMOUTH ELEMENTARY SCHOOL REPORT

To: The School Board, Superintendent of Schools,
Parents and Citizens of Plymouth:

The new teaching assignments this year included Mrs. Edith Bowie in Grade 1 replacing Mrs. Beverly Ashnault; Miss Grace Cunningham from Grade 2 to Grade 3; Mrs. Eleanor Hall in Grade 4 replacing Miss Gladys Bayley; Miss Flora Roebuck in Grade 4 replacing Mrs. Frances Paul; and Miss Almira Baston in Grades 5 and 6 in place of Mr. Robert Frey. The list of teachers with grade assignments and enrollments for this year and last follows:

Grade	Teacher	Enrollments	
		Jan., '60	Jan., '61
Kindergarten	Mrs. Charlotte Noyes	48	60
1	Miss Martha Rand	47	30
1	Mrs. Edith Bowie		32
2	Mrs. Ella Batchelder	68	26
2	Mrs. Laurose Wilkens		25
3	Miss Ruth Millar	61	23
3	Miss Dorothy O'Neill		22
3	Miss Grace Cunningham		21
4	Miss Flora Roebuck	54	24
4	Mrs. Eleanor Hall		27
5	Miss Pauline Spitzner	33	34
5 & 6	Miss Almira Baston	30	30
6	Mr. Bradford Ames	27	33
		<hr/> 368	<hr/> 387

Respectfully submitted,

W. MALCOLM BOWNES,
Principal

NURSE'S REPORT

The following is a report of the Plymouth school health program for the year 1960.

Physical examinations were completed for 378 pupils by Dr. McIver, School Physician.

Defects found	Corrections
Tonsils — 8	9
Dental — 33	44
Lungs — 1 (asthma)	Under treatment
Heart — 5 (murmur)	
Orthopedic — 4	4
Nutrition: 2 overweight	
3 need vitamins	

Nervous system — 1 cerebral palsy

Fifteen children were treated by Dr. Crowell at the dental clinic. This clinic is supported by the Lindsay fund of the American Red Cross.

The Lions Club provided new glasses for four pupils.

School Nurse's Work

Vision Tests	529
Hearing Tests	366
	Notices sent to parents when necessary
Head Inspection	549
	7 cases of pediculosis
First Aid	437
Other	265
Parent Conferences	22
Patch Tests — Grades 2, 5, 12	
Communicable Diseases Reported:	
Chicken Pox	36
German Measles	2
Scarlet Fever	1

There are 17 children receiving free mid-morning milk and 29 children receiving free hot lunch.

I wish to thank the people who have helped with this program in so many ways during the past year.

Respectfully submitted,

DOROTHY J. MORRIS, R.N.

School Nurse
